Independent Lecturer and Consultant, Baltimore, MD and author of *A Practical Guide to Managing the Multigenerational Workforce: Skills for Nurse Managers*.

Our workplaces are stressful enough without the additional conflict we have with co-workers. One source of that conflict is often ignored, that of the infamous "generation gap." It's alive and well in our units and the cause of much dissatisfaction for all.

Learn what makes each generation tick and how to apply that information to areas of conflict to create a healthier, happier environment for all.
